

OverDrive App and your Android Device

Step One: Download the OverDrive App

Go to the GooglePlay Store app on your device. Type “OverDrive” into the search bar. Install and open the app when it has finished downloading.

Step Two: Sign in

You will be required to sign in or sign up for an OverDrive account when you install the app. When you create an account (sign up) on your device, it will automatically authorize your device so you can start reading e-books immediately. If you choose to sign in with your library card, you will need to **‘Add a library’** by typing in "North Bay" to search for our library. Sign in and type in your barcode and Library PIN/password. Your device will open to your bookshelf.

Step 3: Browse Our Catalogue

To search for e-books, tap on the menu button in the top left hand corner of your screen. Tap on **‘Ontario Library Consortium’**. This will take you to NBPL’s OverDrive page. You will need to sign in

again – tap **‘Account’**  at the top of the screen. Type in “North Bay Public Library” and select it from the list. Type your library barcode number and PIN.

Find the e-book or audiobook you want by browsing or searching. Only compatible formats will appear, so there is no need to worry about whether a title will work on your device. If you are finding it frustrating to find a book that is available, search by subject, then choose **‘Available now’**.

Along the top of each book cover, you will see either **“Available”** or **“Wait List”**.

AVAILABLE

WAIT LIST

You can place a hold on a title by tapping on **“Place a hold”** under the title of the book. You will enter the e-mail address of your choice and **will be notified via that e-mail address when the title becomes available for you**.

Step 4: Checking out and Downloading

Once you find a book that you want, press **‘Borrow’**. You can borrow 10 titles at a time. If it is already out, press **‘Place a hold’**. Choose your borrowing period of 7 or 14 days. The title is then in your bookshelf and available to download. Click **“Download”** to begin the process.

Deleting Expired Titles

To delete an expired title from your library, tap and hold the cover of your book. Hit **‘Return to library’** to remove the book from form your bookshelf and your account.
